

## North Cadbury and Yarlington P.C. Highways July 2024.

Potholes report:

Frog Lane - numbers 24/25/26 still outstanding but probably wise to leave until current construction traffic stops using the lane.

Long Lane - numbers 21/22/23 still outstanding but 21 now has a new pothole on the opposite side of the road.

Stoke Lane - number 20 outstanding. Again construction traffic. Numbers 18/19 are quite deep and you cannot avoid driving through at least 1 of them.

Woolston Road - numbers 12/13 outside Montgomery farm still outstanding.

Yarlington Queen Street - numbers 10/11 still outstanding. Numbers 8/9 plus 3 other holes nearby all outstanding.

Lodge Hill - number 7 and 2 new others close to T junction will need attention. Probably contractor damage.

Crockers Hill - numbers 5/6 still outstanding.

Sandbrook Lane - outside Greenlands number 1 very outstanding and road edge number 9 outstanding.

Cary Road - (opposite Shelties) 2 manhole covers bottom flanges now exposed and weeds growing in the hole.

Signage - quite a lot of speed signs overgrown/obscured by foliage.

\* This report along with photo evidence will be provided to John Nicholson.
